- (b) The financial statements are prepared to comply in all material respects with the accounting standards notified by the Companies (Accounting Standards) Rules, 2006 and the relevant provisions of the Companies Act, 1956.
- (c) During the year ended 31st March, 2012, the revised Schedule VI notified under the Companies Act, 1956, has become applicable to the Company, for preparation and presentation of its financial statements. - (e) The preparation of the financial statements requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period.
